- 5 Lawn Display Contest photos are due to the UWEX office
- 10 Horse Key Meeting, 7:00pm, Courthouse, Room A
- 29 Annual “4-H Experience” at The Gathering in Shawano

Fair Entry Tags

Your Club Leader will contact you when your fair entry tags are ready (the middle of August). There are no fair tags printed for large animal entries, but everything you entered will be on a confirmation page printout - check this page for correctness ASAP.

To ensure equal access, please make requests for reasonable accommodations as soon as possible prior to the scheduled program, service or activity.

Hats Off To...

The Leaders at Horse Camp: Many thanks to all those parents and leaders who helped ensure horse camp was a success this year:

Dwayne & Yvonne Splan, Marti Riemer, Jana Krueger (nurse), Linda Olson (cook) and Diane Schnell and extra all around help by numerous parents.

The Youth Leaders who helped plan and run another outstanding horse camp! They were Anna Splan, Melody & Harmony Riemer, Ashlyn & Breanna Schnell, Hailey Ferfecki, , Onalee Siegfried, Ashlyn Ruen. and Maria Damveld Another awesome year with great clinicians. Our youth leaders chose well!

State Fair Dairy Cattle Exhibitors: Nathan Ferfecki, Taylor Gracyalny, Colin Wussow, Mason Jauquet, Evan Jauquet, Emma Gwidt, Carter Jauquet, Madelynn Gwidt, and Jacob Viergutz, Kaylee Ferfecki, Lydia Rasmussen, Sydney Gwidt, Claire Betley, Abby Ard, Whitney Ferfecki.

State Fair Livestock Exhibitors:

Sheep: Lindsey, Lauren and Isabel Roloff and Luke Stern, Megan Zeitler , Dallas Seubert, Brady Hannes, Swine: Leland Heinrich, Eli, Emma, and Ethan Magee, Trevor Stewart, Ashlyn and Breanna Schnell, Rachel Schnell, Luis Valenzuela, Parker Scray, Beef: Elly Arndt

Youth who are participants at State Fair in non-animal opportunities:

Katieann Sievert: Drama Company
Clothing Revue: Sydney Rusch and Maddie Fiegen.

Project items were exhibited by: Phoenix Seubert, Jenna Arens, Kaylyn Sumner, Nathaniel Huebner, Sarah Hohn, Skye Breitick, Gage Timm, Sydney Rusch, Elena Shest, Erin Viergutz, Michael Conto, Jake Strassburg, & Lauren & Lindsay Roloff

To those who created a poster for the June Dairy Month poster contest.

All those who participated will receive a coupon for a free ice cream cone at the 4-H food stand during the fair. Posters should be returned to you at your next club meeting. *Thank you, too, to Mary Borley and Associated Bank for sponsoring the awards for this contest!*

Those who helped make 4-H Summer Camp an Experience to Remember:

Junior Directors: Colin Wussow, Lacey Jung-Michonski, Emma Esch, James Palmer, **Counselors:** Eric Bergsbaken, Nathaniel Huebner, Pauline Parrott Kaela Kroening, Tarah Malotky, Christopher Black, Jetlyn Michonski, Hannah Schmidt, Crede Timm, Allison Brown, Danny Damveld, Georgia Schultz, Austin Schmidt, Emma Gwidt, Eli Magee, Elizabeth Esch, Alexia Folkman, Saige Corso, Chris Parker, Lauren Bahr, Whitney Ferfecki and Missy Anderson, **Counselors-In-Training:** Kaden Bergsbaken, Jillian Black, Maria Damveld, Courtney Parker, Duke Johnson, Madyson Chitko, Misty Luckow, Anna Petri, Gage Timm, Anika Daebler, Graciella Onesti and Morgan Weinig.

Lifeguards: Shi Gracyalny & Kaitlyn Durkey

Other Volunteers: Katie Westfahl, Dan Tauchen, Tammy Daebler, Doug & Mary Clark, Jamie Patton, Brenda Krause, Barb Aquilar, Melissa Zscheachner,, Sara Mills-Lloyd, Blair Lewis & Paul Parrott.

News and Happenings

Pre-Fair Judging

4-H Members are reminded that many of their projects will be judged on **Saturday, August 26th, prior to the start of the Fair.**

All members need to check the blue "Fair Handbook" included with this newsletter. This handbook will detail what projects are to be judged the Saturday prior to the fair as well as what time slot your 4-H Club is assigned to bring the project for judging that day. All Saturday judging is done face-to-face.

Hello ALL First-Graders

All Shawano County 1st graders received pumpkin seeds at their school through the "Patti Pumpkin Seed Program". Remember to bring your pumpkins to the Fair on entry day (Thursday) from 3 to 8pm. They will be judged on Friday and can be picked up after 6pm the following Monday. Green pumpkins are ok. See page 80 of the Fair Book or call the UWEX office at 715-526-6136 with questions.

Time to have a ball with Kickball

Saturday, August 19 (after fair set up)

It's finally happening! After being suggested for years, Shawano County 4-H will give kickball a try! Your club leader should already have brought up the topic at your last club meeting BUT the great thing is that you don't need to do anything other than show up!

There will be the regular fair set up day beginning at 9am until everything is where it needs to be for the fair. This will be followed by a potluck. The County 4H Leaders will provide plates, napkins, and plastic ware. To help ensure a wide range of food, the following is a recommendation of foods for folks to bring. If your last name begins with:

A-H: Main Dish

I-P: Dessert

Q- Z: Salad

But feel free to bring your favorite dish!

We will make teams at the time of the event. The goal will be to keep families together (unless you want to split up) but to mix up clubs so that we can meet more 4Hers. For planning purposes, let me, Nancy Ainsworth, know the names and ages of people planning on attending. This is your best "guestimate". There is no age limit on players. Youth and adults alike are welcome to play and team members do not all have to be club members. Anyone helping at the set-up is welcome to join. If you just want to come for the potluck and kickball, be at the fairgrounds by 11:00am just in case things get "kicked off" early!

Teams will be made up of 9 players. Games will be 5 innings long. If we have enough teams, we will play a single elimination tournament. If not, we will just play some games.

Contact Nancy Ainsworth, 920-621-4157 (Cell) or jnje1009@gmail.com with any questions you have.

Cedar Crest Ice Cream Contest

Cedar Crest Ice Cream and the Wisconsin 4-H Foundation have teamed up to present a Create an Ice Cream Flavor Contest. You and your club members can be creative to develop and name an ice cream flavor! *When creating your entry, remember that winning entries make use of ingredients that are readily available.* Due: October 1.

Submit entries by October 1, 2017, using this [online form](#) or submit the [PDF form](#) via email to kay.schmit@cedarcresticecream.com.

The winning club will receive a Cedar Crest Ice Cream Party and a \$300 prize. In addition, the winning flavor will be produced in 2018 and featured on all materials announcing the 2018 Feature Flavor line-up for the year.

Re-enrolling for 2017?

FOR members AND leaders: Simply log on to <http://wi.4honline.com> and access your account. Basic information you input last year will remain. The years will automatically advance a year. All you will need to do is to physically delete any project you no longer want and/or add projects you wish to take next year. You will also need to re-check all the boxes for liability releases, photo, etc. And you can update your health form as well, if you wish. The enrollment window is set for Sept. 1-January 5.

Changing Clubs?

With the new online enrollment process, this has become even easier. Just enroll in the projects you wish to take using your old club. Then either call or e-mail the UW-Extension office and notify us so we can roll over your projects to your new club of choice. Make sure both the old and new club leaders know of your decision.

Attention

Check the blue **JUNIOR FAIR HANDBOOK** for fair information, time schedules, etc. Keep it with you during the fair for a quick reference but, remember, **complete information is found in your Fair Premium Book.** The complete Shawano County Fair Premium Book is also found online at www.shawanocountyfair.net The blue Handbook is included in this mailing of the Clover Line.

Assist with Fair Judging

Youth and adult volunteers are needed to help assist the fair superintendents on judging days, Saturday, Aug. 26th, Wed thru Sat. during the fair, and release night on Monday (Labor Day) at the County Fair. Contact Terri SOON if interested.

Did you attend Summer Camp?

There are a number of Lost & Found items at the UWEX office. Stop by or give us a call to claim them. Unclaimed items will be taken to the Fair. Last chance to see and claim your missing things.

County Fair Season Wristband Sales

The Shawano County Agricultural Society would like the assistance of all 4-H clubs in selling season wristbands for the County Fair. Season wristbands allow fair entrance, including parking, into the fairgrounds as often as needed. Your club will get .50 cents commission for each wristband sold. The top selling club will also receive \$25.00.

Clubs will have to pay for any and all wristbands before getting them from the UWEX office. Once wristbands are sold to your club, they can NOT be returned for credit.

Encourage your friends to purchase their season wristband at the UWEX office before the fair. The UWEX office will give your club credit when the purchaser mentions your club when buying. You don't have to worry about losing bands or keeping track of money.

Penny War Challenge

The Penny War club competition was started to raise funds for the Shawano County 4-H/Don & Bernice Schoedel Endowment Fund and has raised the most money to date in a single fundraising event. These monies help our members realize possibilities beyond the normal routine activities. The endowment fund is used for helping key committees and clubs provide project materials at considerable savings to members and do community service projects.

The Shawano County 4-H Executive Board is challenging you and your club to win the trophy (plus a \$25 gift card to DQ) and the 2017 Penny Wars Championship! Every year is another opportunity for a new club to become the leader of the pack and Penny War Champion!

As a reminder, all pennies and paper money count as a positive towards a club's total, while *all other coins count as a negative*. So start saving your change! You will again find the Penny War containers in the Junior Fair Building between the doors on the north end of the Jr. Fair Building during the county fair. Results are announced at the 4-H Experience.

Fair Judging – What to Expect

The fair is a great opportunity for youth to get feedback and evaluation on the projects on which they have chosen to work during the year. This experience can be both motivating and educational for 4-Hers. Critiques from judges can serve as a guide to further improvement. The judging process is probably more valuable than the award or recognition. To plan, practice, and present a finished product is to “learn by doing.”

For more information on the types of judging (Face-to-Face, Danish and Conference) visit the Shawano County UWEX website at <http://shawano.uwex.edu/4h/> and click on 4-H Youth Development and go to the Shawano County Fair information.

County Fair Expectations

Use Good Sportsmanship and Patience

Fair Superintendents, 4-H Leaders, FFA Advisors, UW-Extension staff, etc. cannot be at the fair 24 hours a day. If you need assistance immediately, go to the fair office and ask them to page someone who can help you.

The Shawano Area Ag Society, Shawano County 4-H Leaders, Inc., Shawano area FFA Chapters and other volunteers do their best to make the fair an enjoyable experience for all. If something does not work out the way you would have liked, please bring it to the attention of the appropriate person in a calm, businesslike manner and ask that fair volunteer if any options exist to rectify the situation. Then accept the decisions that are made.

Rules and procedures cannot be changed during the fair. If you believe that further action is necessary, then attend the appropriate committee meeting after the fair and bring your concerns forward.

Do not take things out on fair volunteers. If you want something changed, be willing to step up and become a volunteer yourself at next year's fair. Be part of the solution, not the problem.

Illegal Activity

Any Junior fair exhibitor who participates in underage drinking, use of tobacco, illegal drugs or controlled substance will be immediately suspended from participation in all remaining exhibitions and auctions in current, or following years, the Shawano County Fair.

Disorderly Conduct

Yelling, shouting or arguing with show judges, superintendents or helpers, other exhibitors or UWEX staff will not be tolerated. Disorderly conduct will be reported to Sheriff's Department and may result in ejection from the fairgrounds and possible fines.

Have Fair or 4-H questions in general?

We know that you may have LOTS of them, especially if you are new to the program. Feel free to talk to your club and/or project leader or call the UWEX office at: 715-526-6136 for answers.

Passes For Animal Auction Buyers

Shawano Area Agricultural Society, the sponsors of our county fair, adopted a policy to distribute fair admission passes to animal auction buyers as a small "Thank You" to committed buyers and a way to invite them to return this year. All BUYERS from last year will receive a one-day fair pass that they can use for free admission to this year's fair on auction day (or any other day of the fair if they so choose).

Policy For Incorrect Fair Entries

Despite everyone's best efforts to catch them, some items are incorrectly entered in the fair. The Shawano Agricultural Society (the people who run the county fair) asked the 4H Leaders, Inc. for a uniform recommendation on how to handle incorrect entries. The policy adopted says that all junior entries that are entered incorrectly, will be dropped by one placing. For example, entries that would have received a blue ribbon/ premium will receive a red ribbon/ premium if they are entered incorrectly. We recognize that there are a few departments where this system may not be possible. In those situations, Superintendent's discretion should be used.

FAIR

Food Stand Tips

Take a few moments to review the importance of good customer service. We all need to make sure that customers are given prompt and courteous attention. Some suggestions are:

- Assign members to certain windows, if possible (the front windows are generally more busy).
- Have at least one adult in front to make sure all customers are waited on and make change.
- Remember, while you can chat in front when you are not busy, face the windows so you can see when someone approaches.
- Speak loud and clear to the customers and people in the back filling orders.
- DO NOT talk, text or surf the Internet on your cell phone with customers waiting.
- Be polite to both the customers and those working with you. ALWAYS THANK CUSTOMERS for their purchases.
- Above all, enjoy yourself, smile and have fun.

4-H Lawn Display Contest

4-H families and clubs are encouraged to make a lawn display promoting 4-H during National 4-H Week/Shawano County 4-H Week, October 1-7. Follow these rules to compete:

1. The display should tell a message about 4-H & include the following: Contact the UW Extension Office, Courthouse, Shawano 526-6136 for more info.
2. All displays must be outside for the public to see (front yards, club corners, etc.) the entire week.
3. A color photo of the display must be sent to the UW Extension Office by October 5th to be judged. Digital pictures are preferred and can be e-mailed. But, we'll take regular photos too. Be sure to indicate if it is a Family or Club entry.
4. Only one (1) display per family and/or one per club may be entered. Therefore, a family may do their own display, plus help their club make one.
5. Displays will be judged on eye appeal, neatness, conveying a clear message about 4-H and originality.
6. Shawano County 4-H Leaders, Inc. Executive Board judges and places the promotional display photos.
7. Cash prizes:

<u>Family Entry</u>	<u>Club Entry</u>
1st - \$15	1st - \$25
2nd - \$10	2nd - \$15
3rd - \$5	3rd - \$10

8. Awards will be presented at the 4-H Experience.

Graduation Achievement Award

A reminder to graduating 4-H members that you are eligible to apply for this award. To do so, turn in a current, complete record book that has been nominated by club leaders for competition at the county level. Also submit record books for each year you were enrolled in 4-H, by Sept. 18th. Winners are selected by 4-H Leaders from another County during record book evaluation. The Award, sponsored by Helen Kallies, is presented at the 4-H Experience.

4-H Experience!

The date for the 4-H Experience has been set for Sunday, October 29th. The location will be The Gathering in Shawano. Brunch will be served with program after. Cost is \$5 per person. Watch for details in the next Clover Line!

Record Book Reminders

How well are you meeting the goals you set out to achieve at the beginning of the year? Now is the time to fill out your project record sheets and add optional pages, so after the fair you only have to add the results. Record books are due to your club on the day they specify, sometime after the fair but before Sept. 18th.

Make sure your record book sheets are in the correct order. Refer to the Sample Record Book distributed in spring for a list of required record sheets and correct order. If you don't have one, get one from your general leader and/or the UW Extension office.

Record books are judged on a variety of criteria (*Involvement, Neat & Concise, Project Work and Leadership*). A list of possible awards and their requirements is found in the Shawano County Awards and Trips booklet, which you can get from your club leader or the UWEX office

Mechanical Science

Lego Robotics Members

If you need practice, you may check out the robotics kits available at the UW-Extension office. These kits require pre and post inventory and may be checked out for up to 1 week. All kits must be returned by Aug 21.

Aerospace Rocket Launch

The Shawano County Aerospace Rocket Launch was held July 19, at the R/C airport field.

Congratulations go to:

Gwen Sumner (Maple Grove County Side 4-H club)

-On the spot award

Ethan Onesti (Waukechon Wildcats 4-H club)

-Out of sight award

Matthew Bahr (Bowler 4-H club)

-Most exciting launch

Brooklyn Verhaagh (Waukechon Wildcats 4-H club)

-Craziest color combo

Riley Siegfried (Angelica 4-H club)

-Energizer award

Trevor Schwartz (Belle Plaine 4-H club)

-Most unique rocket design

Special thank you to the R/C airport for allowing the group to use the field for the rocket launch. Stop by the junior fair building during the fair to see these rockets.

Adult and Youth Leaders

Courthouse meeting rooms not available

Due to expected remodeling being done in the courthouse, the meeting rooms will not be available for use from approx. November 1st through the spring. The UW-Extension Office has been granted use of the Hillcrest Elementary School. All room reservations will, as usual, have to go through the UW-Extension office. Please do your best not to change meetings as it will not be as convenient to re-work the schedule.

To all Key Committee Members

Again, this year, there will not be one night designated as a “**Worknight**”. Instead, if each current committee chair would contact the UW-Extension office with your scheduled fall planning meeting date and time, a room will be reserved for you, unless you have chosen to meet elsewhere. Remember that this Clover Line is for August and September, so it is suggested that you hold off until October to schedule this meeting so that potential committee members can be informed in the next Clover Line. Also, see above article re: rooms.

Older Youth Group to Meet

September 25, 7:30pm, at the Courthouse. Agenda items include:

- Discuss and evaluate fair
 - Plan promotion during 4-H Week, Oct. 1-7.
 - Begin putting together slate of officers & discussion of By-Laws.
(Election held at November meeting)
 - Volunteers needed for 4-H experience
 - Discuss and evaluate Softball
 - Discuss and evaluate summer outings
- Carpool and bring all the 6th graders and older from your club!

September Leaders Meeting

All leaders are invited to the September Leaders Meeting on Monday, September 25 at 7:30pm at the Courthouse in Shawano. On the agenda is evaluation of the Shawano County Fair. This is your chance to say what went well and what may need improving. Food stand operations will be reviewed, and planning for 2018 4-H Super Saturday will begin.

Volunteers Needed for County Fair

* Set-Up: Sat. August 19th

*Take-Down: Sat. September 9th

It's fair time again! YOUR help is needed to set up all display buildings and barns at the fairgrounds, for both animals and non-animal exhibits. At your next 4-H or FFA meeting, please discuss our fair workdays and volunteer to help on either day. Help on both days if you can!

Please report to the fairgrounds by 9 am on both workdays (or as soon as you can after 9 am). During the past several years, we've been getting the work done by noon or earlier, but that depends, of course, on how many workers show up. All adults and youth in grades 3 and up are welcome....we will assign jobs appropriate to age and size. When you arrive at the fairgrounds, go to the building or barn where you'd like to help and report to the person in charge. If your chosen building has enough workers, you may be asked to help in another building.

It would be a good idea to pack drinks and snacks for your family. Helpful items to bring along include work gloves, dust masks, shovels, forks and rakes to move bedding in barns. Bring work gloves, a bucket and cleaning rags or sponges, plus paint brushes if working in non-animal buildings.

Thank you in advance for your cooperation!

*Don't work for recognition,
but do work WORTHY of recognition!*

Fall Forum & Hall of Fame Celebration

November 3rd-5th (registration at 6:00pm on Friday and ending at 10:30am on Sunday) **at the Green Lake Conference Center.**

Friday night offers 15 interactive sessions while Saturday offers 25+ workshops to choose from. Help celebrate the induction of Hall of Famers Saturday evening. Network with others and share your ideas. Bring home projects ideas to use in clubs, schools and community settings.

There is no limit on the number of youth and adults that can attend from our county so if you are interested, re-enroll for 4-H for 2018 then register for this great event through your 4hOnline profile!

Record Book Reminders

September 14 – evaluate Outagamie County
4-H Record Books

September 18 – Tag record books & prelim evaluation

September 19 – review Shawano County 4-H
Record Books

All start at 7:00pm at the courthouse. You'll have a chance to look through record books from another club and/or another county, which can give you ideas to pass on to your club members.

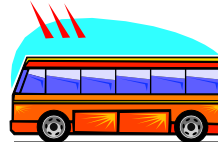

Endowment Interest Income Available

The Don & Bernice Schoedel/Shawano County 4-H Endowment Fund Committee reminds Key Committees and 4-H Clubs that each year there is interest income available from the endowment. Contact Terri for more information and a form. Deadline for requests is October 31. Clubs looking for a good cause to donate monies to should also consider donations to our endowment fund.

Recipient Clubs or Key Committees must submit their receipts to the UW-Extension office **by June 1st, 2018.**

Want to Get Anywhere This Year? How to Apply for 4-H Award Trips!

If you have given any thought to attending State 4-H Conference, Citizenship-Washington Focus, Space Camp, American Road Trip, or any other trips, you need to start thinking about filling out a resume and portfolio. Since record book time is just around the corner, why not pick up a resume guide to start working on? Those of you who have already filled one out, you are a step ahead. Now it becomes simply an updating process of your past resume. We had

some quality forms returned in the past, so if you would like to see some for ideas, you can check those out. Just stop in our office for a peek.

ALL resumes and portfolios for ALL trips are **due** to the UW-Extension office by **November 13**. Interviews will be November 27 during the OYG meeting.

New Family Corner...

The blue Junior Fair Handbook (included in the envelope with this Clover Line) will be very helpful with most of your Fair questions. Please note that many projects are judged before the fair, on Saturday, August 26th.

Also ask for a gold copy of "Fair Tips for First Time Fair Exhibitors" from your club leader or the UWEX office. You can also find this at <http://shawano.uwex.edu/4h/> and click on 4-H Youth Development and go to the Shawano County Fair information.

Most non-animal departments are judged face-to-face with the judge. Be prepared to answer questions about how you made your item.

Remember to complete your record books and turn them in to your general leader in early September. This is required to receive your fair premium check.

Family, Home and Health

Entering the Decorated Cake Auction?

SPECIAL NOTE!!! Due to the re-design of the Jr. Fair Building, most decorated cakes that will be sold in the auction will now be displayed on tables. Therefore, ALL those planning to sell a cake in the auction MUST have a cake box for their cake to be displayed. As usual, the Foods Key Committee will provide a ½ sheet cake box for you that you can either pick up on Pre-Fair judging day or Thursday night of the fair in the Jr. Fair Building. If your cake won't fit, it will be up to you to provide a box that has a plastic or cellophane viewing "window".

Also, all those planning on entering a cake in the auction must bring their **completed** Cake Decorating Project Record Sheet with them to the face-to-face judging. It is understood that you will not know your results of judging but the rest must be completed and shown at judging time so that you will be eligible to sell your cake. You will be able to take this form back home with you after judging. As part of the judging process, you will also be asked to demonstrate one of the tips you used in making your cake. (All supplies will be provided.)

Plant & Soil Sciences

Contest for Alfalfa Exhibitors

Are you planning to exhibit alfalfa haylage at the fair this year? Would you like to win \$50 or \$75 or even \$100? If so, be sure to enter the forage contest at the fair. Just bring your alfalfa haylage sample to the Farmers Building on entry day. When you enter the sample, ask to enter the contest. Then plan to take about 15 minutes for a short quiz. (For a head start on the quiz, review the article on forage production that will be mailed to members enrolled in crops early in August.) Contestants will be ranked on the quality of the alfalfa and their response to the quiz. The contest is again sponsored by the Shawano County Forage Council. For more information contact: Tony Wagner at 920-373-2260.

Natural Resources

Fair Shoot

Saturday, August 26

Crawford Center at the Fairgrounds

We are going to have a pot luck meal again this year. More information to come via email to our shooting sports members.

Shooting sports project members that met the minimum requirements for this year, are invited to participate in the annual Fair Shoot held the same day as the pre-fair judging. All Shooting Sports project members will receive a mailing late in July listing those eligible members. The event will run from 8:30 to 4:30 with no new shooting after 3:30. You can come either before or after your other projects are judged. Eligible members are reminded to sign up for this shoot when filling out your fair entry form. Please read the fair book carefully when deciding on your correct lot number and enter only those lots. Extra entries cause more paperwork and confusion at the fair office and on the day of the shoot. There is a list of "archery class definitions" on page 85 that will help you determine the correct lot.

Check with a key committee member if you have any further questions. (Doug Clark 715-851-0156) (Mary Clark 715-851-3545) Or (Troy Edwards 715-304-6191)

National Shooting Sports Event

Sarah Hohn represented Shawano County and Team Wisconsin on the Recurve Archery Team. She has returned from the National Competition which is held at Grand Island, Nebraska. Her father, David Hohn, was the Recurve Archery Team coach for Wisconsin.

Wisconsin has sent a team to nationals for the past 10 years. This has turned into an exciting and rewarding experience for participants. When you see Sarah, be sure to ask her about this event.

Shooting Sports Graduate Award

The Shooting Sports Key Committee is offering a special award for a Shooting Sports project member who is graduating from 4-H this year. An award of \$100.00 goes to the recipient. Call the UWEX office and we can mail/email you a copy.

Applications due Oct. 1.

Arts and Communication

Visual Arts Project Members

Anyone enrolled in Visual Arts and/or all other non-animal projects is invited to come to the Junior Fair Building on **Saturday, August 19** (Fair Set-Up Day) from 9:00am to noon, to assist with cleaning and set-up in these project display areas. **Monday, August 21st**, from 1-4pm we will be putting the fine tuning on the Visual Art display area so if you can come that day to assist, your assistance would be much appreciated!

Animal Sciences

Showing Animals at the Fair?

A Premise Registration number will need to be included on your Fair Entry Form. ALL animals except rabbits, dogs and cats are included.

Whether your animal(s) are kept at your property, or are housed elsewhere, the owner should have applied for and received a premise number. If you are still in need of receiving a premise number, go to www.wiicd.org and click on the link for WLIC Premise Registration.

August Cat Meeting

There will be an informational and fun cat project meeting on Monday August 14th at 6:00 – 7:30 PM at the Shawano County Courthouse, in room A. At this meeting Angie will be checking your cat project books and you will be making cat toys. Hope to see you all there! If you have any further questions, feel free to contact Angie Jung at 715-701-0700.

Sunday Night Fair Exhibitor Dance

YOU ARE INVITED to the annual Sunday night Fair Exhibitor Dance. It is scheduled 6:00-10pm. Hosted by the OYG again this year, they have requested that each club bring in at least one item or basket for the raffle. Your club is encouraged to simply bring it to the coliseum about 5:00pm. If there are any key committees that would like to donate a raffle item you are more than welcome to do so. These raffle items are sometimes the only reason some of the kids come! As usual, admission will be only \$1 and your family is asked to bring a snack to share. From experience, I can tell you that fresh fruit and veggies are a hit! By Sunday night, fair food has lost some of its appeal! The group will continue the tradition of giving at least ½ of the amount raised to individuals in our 4-H family who are in need. Contact Terri at 715.526.6136 with questions.

Attention Dairy Exhibitors

Due to declining numbers in some of the colored breeds, some breeds may be combined with the “any other” class. There needs to be a minimum of 3 animals in each class. Example: if there are only 1 or 2 Shorthorns in a class, they would show with the any other breed class, three or more Shorthorns, and they would show in their own class. The superintendent will notify you on Friday if your breed has insufficient numbers. Any questions can be directed to Pat Brusky at 715-853-2864.

Share-A-Kid, sponsored by the Wisconsin Dairy Goat Association, has awarded a LaMancha goat doe kid to Leo Schultz of Gresham FFA for his winning essay.

A huge thank you goes out to the WDGA as well as Marvin, Becky and Wyatt Mills near Oshkosh for donating the goat and providing follow-up as mentors for the year to Leo.

As a condition of the award, Leo will be showing “Sunflower” at the Shawano Fair under the direction of his FFA Advisor, Jeff Zobeck.

Rabbit & Poultry Exhibitors

The LAST Rabbit and Poultry meeting for members to attend and still be eligible to show at the fair, is going to be held on Aug. 8th at 6:30 pm. The topic will be "Getting Ready for the Fair", with a market meeting to follow. This is the last opportunity to attend your required meetings.

A meeting is required to show at the fair and a market meeting is required to sell in the Small Animal Auction. The August 8th meeting will be held in the poultry/rabbit building at the fairgrounds. Information will be provided on what to expect at the fair, barn duties, what to bring for your project needs, decorating tips and showmanship help, etc.

Also, you must have poultry blood testing and rabbit tattooing done in advance of the fair! Please get that taken care of if you have not already done so. If you need assistance, contact Betty Gast at bettygast@yahoo.com

Additional Reminders:

- * All market animal members -- turn in a copy of your market expense worksheet and picture on entry day, Thursday, August 31st.
- * Barn setup for Poultry and Rabbit shows at the county fair will be on Saturday, August 26th from 9:00 am until approximately noon. All families exhibiting poultry and/or rabbits are asked to come and help with either this building setup date or building take-down on Labor Day, Monday on Sept. 4th starting at approximately 4:30pm. Your family's contribution to this effort will be greatly appreciated!
- * All market members must help with Setup and Take Down of the Coliseum on Monday, Sept 4th of the county fair. This is a big job so everyone is asked to contribute.
- * All interested leaders, members and parents are invited to attend Poultry & Rabbit Key Committee Meetings. Your Key Committee will advise families of the next meeting date, at which you'll plan for County Fair activities.

County Fair Hog Exhibitors

On Monday, the last day of the fair, from 4:00 to 4:30pm, there will be a limited number of people allowed in the hog barn to allow for group penning of hogs going to packing plants. After that is complete, we'll start taking down empty pens and getting the sawdust pushed to the center alley for a portion of the building. This will alleviate the problem of only a few people doing all the necessary clean-up work. We ask for your cooperation on this matter since it has worked very well for us the last several years.

Livestock Exhibitor Notes:

Reminder for Final Weigh-In

For exhibitors that need to **Weigh-In** their animals during the County Fair..... We ask that all trailers come from the Waukechon Street entrance (by the Crawford Center) and go around to the weigh in location at the livestock barns.

Exhibitor Auction Checks

When exhibitor livestock checks are received from the Shawano Area Ag Society, the UWEX office will e-mail 4-H General Leaders and FFA Advisors to come to the UWEX office to pick up checks. They will make arrangements with members to distribute the checks in person. The UWEX office, 4-H Leaders and FFA Advisors will NOT mail checks.

Dairy Fundraising Auction

The first 10 items received for the auction will be sold in the Live Auction. Any additional donations are very welcome and will be put into the Silent Auction. We are trying this as a way to be appreciative of our donors and have fun bidding, yet keep within our time frame. Contact Jeff Styczynski with questions and/or donations at 715-853-5554.

Attention Dairy Exhibitors

Health forms are not required for your dairy animal. BUT you must have your animal's Identification Number on your entry form. Registered animals must use registration number and grade animals must use the metal ear tag number. Incomplete forms will be returned! Registration papers are still required at check in as well as verification of metal ear tag number.

With no health forms required, it becomes even more important that you check your animals before loading for signs of ringworm, warts, pinkeye, nasal discharge, etc. These animals may not be exhibited. If in doubt, leave the animal home. That is why we have alternates. We have had excellent cooperation from everyone in the past – let's keep it that way!

Remember, for the colored breeds, we will show registered and grade animals together.

Attn: Senior 4-H Dairy Exhibitors

The Dairy Key Committee is offering a \$250 Scholarship to a current 4-H member or 4-H graduate who has completed at least one semester of tech school or college. The scholarship will be awarded according to contributions to a 4-H club &/or program, quality of application, community service, etc. The application is available at the UWEX office. The deadline is August 15. The committee will award the scholarship at the Fair on Sunday, during the Open Class Dairy Show.

Note: There are new overhead display boards in the stalls of the center of the barn. Check on or after August 20 for your stall assignments to determine how your club displays can be hung. Ask Pat B or Jeff S for more information.

Dairy Key Committee

The next Dairy Key Committee meeting will be held on Thursday evening, August 17, at 8:00 pm in Meeting Room A of the Courthouse in Shawano. A review of State Fair and final preparations for County Fair will be discussed. All interested dairy project leaders, older youth and parents are invited to attend.

Area Animal Science Days Results

Kudos to some outstanding members! The senior Dairy judging team placed 1st overall out of 6 teams topping Barron County by 16 points! They now qualify for the State 4-H Dairy Cattle Judging Contest to be held later this summer. A special thanks to coaches Jay Jauquet, Lynn Harbaugh and Mandy Ramsburg!

Dairy Judging Teams

Top Junior Overall Individuals:

7th – Abby Ard 10th – Jacob Harbaugh

Junior Team Results (13 teams competed):

3rd place – Abby Ard, Jacob Harbaugh,

Sydney Gwidt, Evan Jauquet

7th place – Hailey Zernicke, Allison Zernicke

Thea Tauchen

9th Place – Logan Harbaugh, Lydia Gwidt,

Kaylee Ferfecki Alex Ard,

Griffin Holewinski

Top Senior Overall Individuals:

1st – Mason Jauquet 3rd – Emma Gwidt

4th – Madelynn Gwidt 9th – Colin Wussow

Senior Team Results (6 teams competed)

1st place– Mason Jauquet, Emma Gwidt,

Maddy Gwidt, Colin Wussow,

Jacob Viergutz, Carter Jauquet

June Dairy Month Poster

Beginner: 1st – Taya Jannush

4th – Cierra Schnell

5th – Luke Skala

Junior: 1st – Makenna Jannusch

2nd – Tommy Deimel

Senior: 1st – Ashlyn Schnell
