## Home & Community Education

April/May 2013

Hello,

As I write this article, the calendar says it's the First Day of Spring. Looking at the temperature outside the two aren't working together. Warm weather please!!

The snow on Monday was just not wanted here. Tuesday morning had lots of snow in the driveway but I was able to get out early to go schedule the Brat Stand for 2014. Then home again to get ready for work. A couple hours later it really drifted in more. I did make it out and when I got home at 7 pm the driveway was all plowed. Again, thanks to our son who makes sure I can get in and out.

Another change for HCE is that on April 1st we will have our new Family Living Educator. We welcome Nancy Schultz to the Extension Office. On April 5th I am going to have a short get together time with her. On April 9th she is going to go to the Central District meeting in Berlin, WI with Sandy Wendorff and myself. This will be the 1st meeting of the new district. I am looking forward to meeting some new people and seeing others that were in our last district.

International Night and Spring Event are all planned. So thanks to the Committees for planning them. There will be a bus available to go to the Spring Event. So hopefully we have a nice turn out for both of those special occasions.

By now everyone should be about 2 weeks into "On the Move and in the Groove." Remember to keep track of your daily activity for 1 of the 5 \$10.00 prizes.

Thursday Brat stand is filled, however we still need some times for Friday and Saturday to fill. Hopefully, we will get enough response. Thank you in advance for your time.

*Helen Raddant*

Helen Raddant,  
Shawano County HCE President

Welcome!

The Family Living Department is again at full staff. Nancy Schultz accepted the Family Living Educator position and will begin on April 1. (No fooling!) Nancy has been working in the Public Health office as a WIC nutritionist for nearly 20 years. She lives near Leopolis with her husband Dennis and children ages 18 and 15. Nancy has degrees in Dietetics and Food Science and Nutrition from UW-Stevens Point. She also has an Accounting degree. In her spare time Nancy likes gardening, reading and walking.

Also joining the staff is Kara Skarlupka, office assistant to the Family Living program and receptionist. Kara and her husband Joe live in Cecil. They have four children; one is in LaCrosse, two are off at college and the youngest attends Bonduel High School. Her hobbies include gardening, mushroom growing, reading and knitting. She is a member of the Wolf River Master Gardeners Club. She also volunteers for St. Martin's Parish and the Catholic Order of Foresters Court 1369.

Stop in to say Hi!

## GARB OF SACK

When I was a maiden fair,  
 Mama made our underwear.  
 But, monograms and fancy stitches,  
 Were not on our flour sack britches.  
 Panty waists that stood the test, with  
 Gold Medal all across the chest.  
 Little pants the best of all,  
 With a scene I could still recall.  
 Harvesters were gleaning wheat,  
 Right across the little seat.  
 Tougher than a grizzly bear,  
 Was our flour sack underwear!  
 Plain or fancy, three feet wide,  
 Stronger than a hippo's hide,  
 Through the year, each Jill and Jack,  
 Wore this sturdy garb of sack.  
 Waste not, want not we soon learned,  
 A penny saved, a penny earned.  
 Bedspreads, curtains, tea towels too,  
 Table clothes, to name a few.  
 But the best beyond compare,  
 Was our flour sack underwear!

## THE COMPUTER SWALLOWED GRANDMA

The computer swallowed grandma  
 Yes, honestly it's true!  
 She pressed "control" and "enter"  
 And disappeared from view.

It devoured her completely,  
 The thought just makes me squirm.  
 She must have caught a virus  
 Or been eaten by a worm.

I've searched the "recycle bin"  
 And files of every kind;  
 I've even used the internet,  
 But nothing did I find

In desperation, I asked Jeeves  
 My searches to refine.  
 The reply from him was negative,  
 Not a thing was found "online."

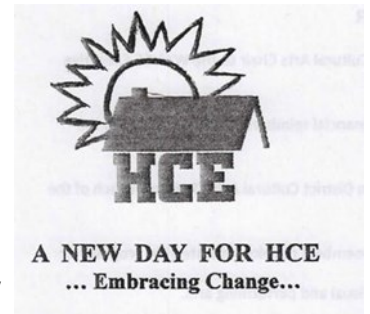

So, if inside your "inbox"  
 My Grandma you should see,  
 Please "copy" "scan" and "paste" her  
 And send her back to me.

## QUICK AND EASY DESSERT

1 angel food cake mix  
 1 can crushed pineapple, 20 oz with juice  
 Put dry cake mix in a bowl, add the pineapple and  
 mix together. Place in 9x13 cake pan and bake 25-  
 30 minutes at 350°.

VARIATION: sub 2 cans of lemon pie filling, for  
 the pineapple.

## WAHCE Annual Conference

Mark you calendars for  
 September 9-11, 2013,  
 for the annual WAHCE  
 Conference held in  
 Manitowoc at the  
 Holiday Inn. We're planning wonderful tours, and  
 enlightening workshops to enhance the joy of  
 being with our fellow HCE members from Wis-  
 consin. East and Northeast Districts have worked  
 together to make this a truly memorable  
 conference where all of us embrace change. See  
 you in Manitowoc. (There's a pool, sauna, and  
 whirlpool-so bring your swimsuit!)
