January 2013

I'm sure we are all busy getting prepared for family and friends for sharing Christmas with. It's usually extra busy if you are a candy and cookie baker. But they all taste so good. I for one do make the family favorites, Frosted cashew nut cookies, peanut butter balls, coconut balls and then of course the frosted cut out cookies.

So Merry Christmas to all and a very Happy New Year. Hope to see all of you in the New Year!

I want to say Thanks to Clubs and Individuals who sent cards or called at the time of my husband's death. Your thoughtfulness was greatly appreciated by me and my family.

Thanks for the plant from HCE. It's times like this that Friends are as important as Family.

As we don't know what is in store for us, we need to remember not to take things for granted and enjoy each day to the fullest. After all we don't know what each new day will bring.

As we start 2013 we will be in our new District. We have gone from 4 clubs to 9 in the Central District.

Another change we need to work with is the fact that we will have another new Family Living Educator with the resigning of Kristen Konczak. We wish her well in the future.

As we go forth with our new pro-

grams planned for the year, hopefully everyone will enjoy what was chosen. Remember we do take suggestions when planning them.

And just a reminder in April or May we will be getting together with Waupaca to plan the 29th Annual Learn-In which Shawano County will host this year. So any ideas are appreciated. Also the date will be posted for the 1st meeting and newcomers are always welcome to be on the planning committee. If you have ideas if you could provide a name of a person to present it that would also be helpful.

Looking forward to the new year.

Helen Raddant
Shawano County HCE President

2013 Fair History Display

It's our turn! We've seen fabulous history exhibits at the Shawano County Fair. Remember the township displays, churches, cheese factories and the hospital? This year it's our turn! In honor of UW-Extension's 100th Anniversary, the 2013 Fair History display will feature Extension Education in Shawano County. HCE is a very important part of Extension history. The Family Living committee is asking for your help.

We need the history of your club with pictures, and any other articles you have to display pertaining to the work of your club. I'm putting together a questionnaire to help you to remember projects of the past. Your club

will be receiving the questionnaire with your program books and January lesson.

Please fill it out at your meeting and send it to the address below. Any pictures that are accepted will be scanned and returned to you. Each picture should have the people identified and tell what the occasion is. These materials will be used for the display in the Farmers building at the Fair in August. That may seem far away, but we need the information in the next couple months to get the photos scanned and stories written.

District News -

Submitted by: Sandy Wendorff

Northeast District WAHCE Fall meeting was held on October 18, 2012 at Merrill - Lincoln, Oconto, Marinette and Shawano counties had their last meeting together as one.

As of January 1, 2013, Shawano and Lincoln counties will be in Central District and Marinette and Oconto will be Eastern District.

Helen Raddant, Carol Sybeldon, Interim Kristen Konczak and myself attended. We started out by getting to know Lincoln's Interim Amanda Kosterman. She worked with us on the program "Strong Women." We all got to do some exercise with her. She teaches the program in Merrill. We then had a round table discussion on State Conference 2013, POOL, Wisconsin Bookworms™, and International programs.

We discussed the 2013 State Conference that we'll be hosting.

WAHCE County Associations by Districts for 2013

At the state WAHCE meeting, six districts rather than seven were approved by the voting delegates. The "new" Central District is made up of 9 counties and includes Green Lake, Lincoln, Marathon, Marquette, Portage, Shawano, Waupaca, Waushara and Winnebago Counties. Our first meeting with old and new friends will occur on April 9th in Green Lake County. The new Central District Director will be Lorene Hass, Langlade County. *Here is the correct map for the 6 Districts for HCE starting in January 2013. Please disregard the 4 district map on the back of your yearbooks, UW-EX has restructured to 4 districts in 2013 so the wrong map was used. Apologies for the confusion, please follow the map listed below:*
