July-August 2016

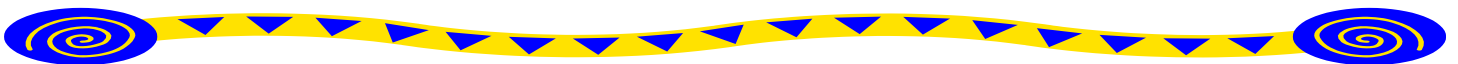

Hopefully everyone is enjoying this lovely summer weather. I've seen some really nice gardens around the area so that shows me that people are busy outdoors. This is the first year I've had to replant some of my things because of it being too wet. With the approach of July I'm sure there are parades and fireworks on the agenda for many. Family picnics and get-togethers are also a fun time. I for one will be celebrating up in Gillett at my home farm with my siblings and their families. We will have a special visit with 12 family members whom are coming in from Tennessee. Dates to keep in mind from now until September are:

- **July 15th - Fall Learn-In Planning Meeting at 10:00 a.m. in Clintonville**
- **August 1st - Executive Board Meeting**
- **August 13th - Bake Sale at Farmers Market**
- **August 31st - September 5th - Shawano County Fair**

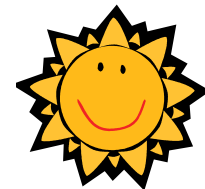

The next newsletter will have information on the Fall Learn-In and our Annual Fall Meeting. Enjoy each and every day with family and loves ones.

Facebook for your Club!

Did you know that as of August 2014, WAHCE has a Facebook page! The idea of creating a Facebook page came about from recognition of the need to have a greater online presence and to allow WAHCE to communicate with all Association counties in a quick and efficient way. It was created after much discussion and forethought about what the purpose of having a Facebook page would be, what would be allowable to share on this page, who would be responsible for keeping the page current (Administrators) and best use of Facebook as a method of communication. WAHCE’s Facebook page is: <https://www.facebook.com/WAHCEinc?ref=h>

Or it can be found on Facebook by searching for Wisconsin Association for Home and Community Education, you will need to scroll down the page until you find it.

Many HCE Associations in Wisconsin are already using Facebook pages to post meeting dates, get quick feedback from members, and promote events taking place in their county and the HCE Association. Facebook can also be an excellent place to link to news articles about your county or club and post about the successes and achievements of groups and members in your county.

However, Facebook (or other social media sites) should not be your only outlet for club or county information. Keep in mind that many members around Wisconsin may not have the resources—computers, or consistent access to high-speed internet—necessary to use Facebook frequently. Facebook should be used as a supplement to your current communication strategy.

If you’re interested in creating a Facebook presence for your club or county, be sure to keep these safety and privacy guidelines in mind as you get started. These guidelines will assist counties in creating an online presence, in line with the goals and ideals of WAHCE. One of the guidelines most important for our HCE clubs is:

- No recipes/written instructions for crafts homemade cleaner, etc. will be allowed to be posted on a WAHCE Facebook. Any posts of this kind will be immediately taken down by the Facebook Administrator. This not only applies to Facebook but to our newsletters.

Farmer's Market Bake Sale

It’s time again for us to start thinking about our special recipes for making our goodies to sell. Our date is Saturday, August 13th at the Farmer’s Market. Remember to list items that have any kind of nuts because of food allergies. Items may be taken to the Court House on Friday if that’s what works for you; otherwise please bring them to the sale between 7:00 and 7:30 a.m. for set up so we are ready to sell at 8:00 a.m. As always cookies, bars and breads do well. But since we are all such wonderful bakers whatever you provide will be great. Anyone willing to help the day of the sale is always welcome. Call Helen at 715-526-2919 as the date gets closer to see what we have a need for. Thanks in Advance.

Shawano County Fair

The Shawano County Fair is not that far away!! The fair starts on August 31st and runs to Sept. 5th. If you have some time available to volunteer at the HCE booth anytime during the fair that would be great! You can contact Sandy (851-5584) or Helen (853-2049) for more information.

On The Move and in the Grove

Once again a group of HCE member's outdid themselves. We had a total of 1,764 points for Shawano County that we sent to state VP for Home and Community Life, JoAnn Blonien. Our points will be added to the rest of HCE members around the State. Last year we reported 1,654 points. That's a difference of 110 points more this year. At the fall meeting we will be honoring the top five point winners. This year Janet Lane had 464 points, Pat Arnold at 460, Sandra Smith at 439 points, Audrey Wussow at 121 and Sharon Schlender had 114 points. Once again ladies, great job!!
