Big Brothers Big Sisters

Big Brothers Big Sisters is a professionally supported, one to one mentoring program that matches community volunteers with youth beginning at ages 7-13. We offer site based opportunities (at schools) and community based opportunities for matches. Volunteers can be as young as 16 (or sophomores at a minimum) for site based and 18+ for community based matches. All volunteers are required to undergo an intensive screening process to ensure they are suitable to be matched to a child. Safety of the children is the number 1 priority. The Shawano County BBBS program is supported by Big Brother Big Sisters of Northeastern Wisconsin.

Wisconsin Home of Energy Assistance Program (WHEAP)

WHEAP provides assistance for heating costs, electric costs, and energy crisis situations. It is a one-time payment during the heating season (October 1-May 15). The funding pays a portion of the costs, but the payment is not intended to cover the entire heating or non-heating (electric) costs in a residence. The amount of the heating assistance benefit varies depending on a variety of factors, including the household's size, income, and heating costs.

Big Brothers Big Sisters is a professionally supported, one to one mentoring program that matches community volunteers with youth beginning at ages 7-13. We offer site based opportunities (at schools) and community based opportunities for matches. Volunteers can be as young as 16 (or sophomores at a minimum) for site based and 18+ for community based matches. All volunteers are required to undergo an intensive screening process to ensure they are suitable to be matched to a child. Safety of the children is the number 1 priority. The Shawano County BBBS program is supported by Big Brother Big Sisters of Northeastern Wisconsin.
